*A gorgeous creamy liqueur and a soft complementary alternative to rum.*

The "A.H. Riise Rum Cream Liqueur" is a gorgeous, creamy liqueur and a soft, complementary alternative to rum. "A.H. Riise Rum Cream Liqueur" is made from exquisite, aged X.O. rum wrapped in a white cloak of the very best cream from Irish free-range cows. The velvety feel of the cream smooths out the sharp edges from the rum, leaving a powerful, flavorsome, sweet, and soft glass of outstanding vintage liqueur.

"A.H. Riise Rum Cream Liqueur" is made from only the very best rum, and it is blended with cream from cows wandering free in the green meadows of Ireland. It is a high-class alternative to the full-bodied spirits normally offered by A.H. Riise Spirits. Enjoy cooled served with crushed ice or warm with a shot of espresso for maximum enjoyment.
