CHRISTMAS SPICES,  
CHRISTMAS FLAVOURS

**A.H. Riise** XO RESERVE "Christmas Edition" is a carefully blended spirit drink made from the very best rum distillates from the West Indies and Central America. It is an exclusive blend aged in the *finest PX sherry casks*. After years of careful aging in selected casks, our master blender has put together a fantastic blend with subtle notes of dearly loved and *traditional Christmas spices*, which has given the rum that extra touch of original *Christmas spirit*. We urge you to enjoy these precious drops when you celebrate Christmas with your friends

and family. Even though we know that Christmas is just a short seasonal time of year, many still enjoy a glass of true Christmas spirit all year round – we know we do!

*With this spirit every season  
will feel like Christmastime.*
