

PHARMACY
A. H. RIISE
40%
1838 BITTER
* HANDCRAFTED *

The A.H. RIISE PHARMACY line is created to honor the proud history of the A.H. Riise Apothecary Hall which were founded in 1838. Back then bitters were an integral part of healing and developed by the old pharmacist himself against stomach and head distress and administered as a curative against bad digestion.

PHARMACY
A. H. RIISE

1838 BITTER

*is intended for adult connoisseurs
of finely produced liquor*

With our 1838 BITTER we extend the A.H. RIISE PHARMACY line with a tasty bitter which contains extracts from botanicals, spices and herbs such as galangal root, ginger, bitter orange, curacao peel and cardamom. These herbs and spices give a refined scent and taste, boosted by the right amount of alcohol, which gives you the warm sense in your body on its way down to its final destination.

A. H. RIISE 1838 BITTER is ready to fill out the role as a morning bitter or to give the warm feeling in your body after your next outdoor activity. Every occasion is a good occasion to be charmed by this delicious 1838 BITTER.
