origins. However, not all casks are emptied to the last drop. Often a little is left in the cask. A small amount of amazing rum. It is these high-class casks we use to create the perfect Signature blend.

Every edition of A.H. Riise SIGNATURE is made in very small batches of less than 2000 bottles. Each cask is numbered, as is each bottle. The number of bottles will differ from batch to batch because we never know how many bottles we can fill in each batch. It all depends on how much high-quality rum we have available.

— a true masterpiece.*

| NOSE |

A most fascinating nose — ripe tropical fruits, coconuts and toffee accompanied by cool minty notes.

| TASTE |

Highly complex and incredibly smooth. Glazed citrus and apricots entangled in toasted coconut with a touch of eucalyptus.

| FINISH |

A true symphony of ripe tropical fruits and toffee. Subtle minty notes add perfect harmony to this long and everlasting finish.

| COLOUR | Red-gold.
